Barrymore Players

• The Barrymore Players put their best foot forward on Friday night last to celebrate National Day of Culture. A packed audience turned out to see an array of local talent showcasing all that is good in drama, comedy, singing, dancing and recitation and several good yarns thrown in for good measure. The night was set in the Pub of Billa and Nonie who kept the audience, in between acts, amused with their funny yarns and at times it did seem like part of a pub session in any one of the local hostels.

When the show came to an end, it left the audience giving a standing ovation to the 100 cast members who gave it their best and each and every can take a Bow for an outstanding show which showed the wealth of talent in Castlelyons Parish. The Committee would like to say a very big Thank You to everyone who took part and to their sponsors and regret very much that some people were unable to get into the Hall and had to return home disappointed.

• At the moment a cast of 70 children from 6 - 16 and some adults as well, are in full Rehearsal for this years Panto the "Nutcracker" which will be staged in early December and plans are at an advanced stage for the forthcoming One Act Drama Festival which takes place in mid-November.
