This had been cancelled twice already so it was great to see a really good turnout of our players. On the day we played both Lisgoold and Bride Rovers at U7 and U8 levels. Considering the recent weather and time of year these were very exciting games by 3 very evenly matched teams. Thanks to Bride Rovers for having us and for the refreshments. - ⊙ Junior B Football Final on Sunday at Ballynoe. - The Junior B Football team beat Glenville to qualify for the final which will be played at 3pm on Sunday 13th November at Ballynoe. - ⊙ Junior 'B' Football Championship - Castlelyons 2-13 v Glenville 0-2  
The Junior football team played the semi final of the championship against Glenville at home on Thursday evening 3rd November. They had a very easy win. From the very onset Castlelyons were completely on top and by the end of the first ten minutes were leading 1-3 to no score. While this was a good performance from the players and they now face Youghal in the final, they will have it all to play for in the final and they can expect the opposition to be much stiffer.

### **Camogie Club**

- AGM - Castlelyons Camogie Club hold their AGM this Saturday the 12th of November at 8 pm in the Community Centre. Nominations have been received for all positions and there will be reports on all aspects of the club - from team reports to a full financial report. Castlelyons Camogie Club is a young but vibrant club and would encourage everyone to come along on Saturday night. New faces are always welcome. Refreshments are being served in the Peddlers Rock after the meeting.
- U12 Mini League - Castlelyons played Killeagh last Saturday week in the finals of the U12 Mini League. The game was played in the Go Games format with no soloing and no kicking of the ball allowed. Castlelyons had to travel without a few regulars but none the less but in a strong performance and as always with this team of young girls played their hearts out till the final whistle. Killeagh ran out winners in this one but all players received medals and a goodie bag and headed home happy. That was the last competitive match for this group. Training for the U12/U14 group will now take a well earned break but will hopefully be back early in the New Year. Enjoy the break.
- Club Hoodies that were ordered are now available and you should contact your team Fixtures Sec to pick up same. The hoodies were sourced from a different provider this time round and look really well with the new camogie logo. Late orders are being accepted but you should make contact ASAP if you want to order one.
- Juvenile Camogie Sponsors - Cavanaghs of Fermoy and O'Sullivan's Centra, Castlelyons.

### **Community Council November Meeting Report**

- ▶ At the November meeting of the Community Council the main topic of discussion was of course the monthly draw and how ticket sales are going. The first draw will be held on Sat Nov 26th and we hope to meet every Wed. night until then to complete ticket sales. All members with full cards are asked to hand in the cards and money with corresponding names to Seamus Geary or James Parker. The response to date is very encouraging. Chairman Seamus Geary thanked all who have sold and bought tickets to date and expressed confidence that by the first draw all the cards would be full.
- ▶ The formation of a youth club in the parish also came up for discussion. It was felt that the needs of the youth who were not interested in sport needed to be catered for. The youth clubs from neighbouring parishes are to be contacted with a view to getting information on what facilities and structures are needed to form a club but the most important (and most difficult) element, the meeting felt, was to get adults/parents involved to supervise and help out in the running of a club. Further information is to be available for the December meeting.
- ▶ An outside request for a mobile chipper in the village did not receive favour, on several grounds. It was felt that people living in the village would be awoken with the noise levels and that it would also be a traffic and litter hazard. Several people spoke of problems that were encountered when a chipper was located in the village some years ago and felt these would again materialise if a chipper were to return.
- ▶ Correspondence was received from Cork Co. Council reminding landowners to remove any possible blockages (fallen trees, debris etc.) from streams and rivers to allow for the flow of possible floodwater during the winter months. It was stated that the local Trout Anglers did this in alternate stretches of river each year and care is taken not to disturb fish spawning areas
- ▶ A meeting to evaluate ticket and card sales for the Superdraw will take place next Wed. night at 8.30pm at the community centre. Card sellers are asked to hand in any new names and full card details to the committee any time between 8.30 and 10pm.
