This event will take place in 3 fields including the Fr Ferris community field and the 2 adjacent fields. These 2 fields have been kindly donated by the Kent family for use by the club for the day. We would also like to thank the community council for the use of the community field and the creamery for allowing their yard to be used for parking. We look forward to seeing everyone there on the day to support our athletes and wish them the best of luck running on home soil. On the day we will require assistance with stewarding - anybody interested in helping out please contact Pat O'Sullivan on 087-8188612. We are also going to sell teas, coffees & sandwiches on the day so would appreciate all offers of sandwiches. The first race, U10 girls (born 03) will start at 1pm sharp. ### Castlebridge Celtic Soccer Club

- Juniors stay top of table - After two wins from two the next game for the Juniors involved a first ever visit to Bridesbridge for Kinsalebeg in the 1st Div League. Castlebridge had a well-deserved win which keeps them in pole position at the top of Division 1.
  - Under Age - Our Under 14s, 13s and 12s were out over the weekend in League and National Cup with mixed results. The Under 14s had a very comfortable away win over an understrength Cappaquin side scoring 7 without reply. Thanks to all the lads who travelled on Friday and to the parents who helped out with the transport. Our Under 13s travelled to Mallow on Saturday for the National Cup and although we were short a number of players we tried our best to match a very good Mallow team who physically and fitness wise were well ahead of us. Well done to all the lads that played and they will bounce back no doubt when they return to the league next week. Our Under 12s also played National Cup on Sunday against Mayfield and this was very much a game that was there for the taking for three quarters of the match. After a very even first half the scores remained level at 0 – 0. This panel of players are going to have a great year if the performance is anything to go by and we will hopefully get a few more players back into the squad in the coming weeks. Again thanks to all the lads who travelled on Friday and to the parents who helped out with the transport to all our games this weekend.
  - Youths go down to Castlevew - A much improved performance this weekend and a very determined display against another top side in this Premier league meeting with Castlevew. Overall the Castlevew team were better on the day, especially in the attacking half of the pitch. Good to see a full panel and although a few lads didn't get to feature this week there will be plenty of chances to get places in this team over the coming weeks.
  - Congratulations - The club sends congratulations to Ciaran and Louise on their marriage last weekend and wish the happy couple many years of health and happiness together.
  - Monthly Soccer Predictor - Reminder that the cards have to be returned this week before Friday Oct 5th. If you have not got a card contact Gene O'Sullivan or Joe Hartnett to make sure you get a chance to show your prediction skills and also make a few bob while you are at it!
