Castlelyons "Return to your Home" Festival

- The pace continues as the committee continue to drive this huge undertaking. Several new (and very welcome) faces have joined the effort to document the history of the houses of our parish. At present the questionnaire has been drafted and distributors are currently being sought to give these out to each house in the parish. In addition to the houses, it is now hoped to document the list of teachers who have taught in our national schools over the years including the old schools in the village and these will have their own page. A launch night is planned for March 8th in the Community Centre where it is hoped the questionnaire will be explained to each of the distributors and a briefing on the project as a whole given on the night. The next meeting will be held on Wed. night next Feb 20th at 9pm - new volunteers very welcome. As always the support of the community will be essential in the success of this mammoth undertaking so remember - "Be part of it don't be apart from it".
- Fr.Ferris Park - A meeting of the above committee takes place at the Community Centre on Wed. night next Feb.20th at 8pm sharp.

Tidy Towns and Heritage Group

As per the last newsletter the Castlelyons Tidy Towns Group are suggesting that all the trees that are planted on the Grand Avenue should be used as a remembrance tree to a loved ones, parents, brother, sister, niece, nephew, family friend. Trees are often planted in the knowledge that they will outlast us and benefit many future generations. As a memorial gift it can be a very fitting tribute, one that simply does not fade away. As you pass through the Grand Avenue you will be able to associate with that loved one - even just to say "Good Morning" or even "Good Night" as you pass. Each remembrance tree will be randomly allocated, and a location and a picture of that tree will be issued, this is to maintain privacy. As the years pass and that tree grows the memories should pass onto further generations, keeping the memory of that loved one for many years to come. Please note as there are a limited number of trees, they will be allocated on a first come served basis. If you would like to be considered for a tree or require further information please do not hesitate in contacting a member of the Tidy Towns Group or phoning 086-2619121

Castlebridge Celtic FC

• On Saturday our Youths will play Killarney Celtic in the last 16 of the FAI National Cup in Bridesbridge. This will be the biggest game of the season for Castlebridge Celtic and it is definitely the biggest game these lads have ever played in with a quarterfinal place in a National competition at stake. We would like to see as many as possible in Bridesbridge at 2.30pm on Saturday to give the lads the support they need and deserve.

Last Saturday the lads had a very good game against Fermoy in the league which ended 3-3 and although it could have been a Celtic win if the defending had been better it was a good workout and will stand to them for this weekend.

• Under 16s bounce back with big win - Castlebridge 9 Ardmore 3

Our Under 16s turned around the disappointment of getting knocked out of the league last weekend and got a great win over Ardmore in the cup. A great boost for this team who thought their season was over last week but now they have a cup semi-final and if they can keep the goals coming then they might go even further.

• Powerful display by Under 12s - Castlebridge 8 Ardmore 0.

A great start for Castlebridge . With the luxury of a full squad of players and with the team winning well all six subs on the day were brought on at half time. Close to the end our goalkeeper came out for a rare appearance outfield and grabbed a goal for himself near the end to complete a comfortable win for Castlebridge Celtic FC. Well done all...

• Lotto Results - Draw held in Peddlars Rock on Friday 8th February.
