- Membership for the 2014 season is now open. It is very important that these fees are paid before any matches are played and with the season already underway membership fees must be paid asap. Fees of € 50 for Adults and € 20 for Students and OAP can be paid to Donal O Leary (Treasurer), Denis Fenton (PRO) or any club officer.

- Text Service - Castlelyons GAA Club intend to set up a weekly text service where important club information such as Lotto results, weekly fixtures and any other necessary information can be sent to all members, players and club supporters. If you would like to receive this text please give your name and number to any officer of the adult, juvenile or camogie clubs and your name will be added to the list. In association with this the club website is being revamped at present. Our current website is in existence over 10 years and at this stage it appears dated and not very user friendly. K McGann undertook the task of producing a new website and in association with Alan Waters they have come up with a new modern site from which the user can easily gain any information that they require. It is hoped that the website will go live in the next 2 weeks and to this end a launch night is proposed for Saturday March 22nd where the finished product can be admired and viewed.

- Gum Shields - Since Jan 1st 2014 it is now a rule of GAA that all footballers, irrespective of age or grade, must wear a gum shield while training or playing a match. - First Aid - The care and welfare of players, while either training or playing a match, is of utmost importance to Castlelyons GAA club. With that in mind an appeal is being issued to anyone with first aid training who would be interested in helping out the club for the coming season. The hope is that a panel of first aiders can be set up with the task rotated between all that panel. Anyone who would be interested in helping out please give their name to any officer of the club.
