Castlelyons "Return to your Home" Festival

• It's all systems go for our summer festival and book launch. An information night on the Castlelyons "Return to your Home" Festival and accompanying book will be officially unveiled at a press launch next Friday night March 8th at 8pm at the Community Centre. We hope to have all our parish distributors there on the night when the house questionnaire will be handed out - 1 for each house in the parish and its environs. As was previously mentioned in this newsletter we are encouraging all our parishioners to get involved in this hugely ambitious project and to support it by availing of the 1 page per house that will be allocated for this mammoth publication. After the launch night the townland distributors will be calling with the questionnaire and explaining to each householder about filling out the form and sending in some photographs for this unique publication. We have had up to 10 meetings at this stage and a word of thanks must go to our hard working committee and especially our distributors who will be key to gathering the information.

Tidy Towns and Heritage Group

As per the last newsletter the Castlelyons Tidy Towns Group are suggesting that all the trees that are planted on the Grand Avenue should be used as a remembrance tree to a loved ones, parents, brother, sister, niece, nephew, family friend. Trees are often planted in the knowledge that they will outlast us and benefit many future generations. As a memorial gift it can be a very fitting tribute, one that simply does not fade away. As you pass through the Grand Avenue you will be able to associate with that loved one - even just to say "Good Morning" or even "Good Night" as you pass. Each remembrance tree will be randomly allocated, and a location and a picture of that tree will be issued, this is to maintain privacy. As the years pass and that tree grows the memories should pass onto further generations, keeping the memory of that loved one for many years to come.

Please note as there are a limited number of trees, they will be allocated on a first come served basis.

If you would like to be considered for a tree or require further information please do not hesitate in contacting a member of the Tidy Towns Group or phoning 086-2619121

• Under 12s win in Lismore - Last Saturday our Under 12s travelled to play Lismore in the first leg semifinal of the League and got a vital win. These two teams are very evenly matched and it was James Kearney who proved the difference between the two sides in the end. This will be a very important away goal of Celtic can manage to hold the advantage in the 2nd leg.

• Under 10s and 8s - The Small sided leagues continued on Saturday afternoon with a short trip to Conna to take on Valley Rangers. Our Under 10s who are playing very well got a great win scoring freely and with plenty of players available the lads really enjoyed a great game.

Our Under 8s were short a few regular players from the academy but they still put in a great performance and will be happy that they got a game in. Hopefully we will get a few more lads back for the next round of games on Saturday in Tallow.

• Youths draw Cahir Park FC in last 8 on FAI Umbro National Cup

The draw for the Quarter-Finals of the FAI Umbro Youth Cup has taken place and the four ties will be played on the weekend of March 24. The eight teams left in the competition are all from the provinces following the Fourth Round last weekend. The two remaining Dublin representatives, St Patrick's Athletic and Swords Celtic, were beaten by Mervue United and Letterkenny Rovers respectively while Dundalk, who also play in the Dublin & District Schoolboys League, were defeated 2-1 by Cahir Park of the Tipperary Southern District League. Castleview and Castlebridge are the remaining Cork clubs in the competition. The fact that it is close to home will hopefully mean that we can get a lot of support there on the day. Cahir Park is one of the biggest clubs in Munster and we can expect a really tough game but what would you expect when you reach the last 8 in Ireland!

Before then it is back to the league on Saturday with a home game against Ballincollig.
