Community Council

• We the Community Council would like to thank all of those who supported the Super draw over the last two years. The success of the Super draw has substantially reduced the debt of the Community Council to under 45,000Euro from a figure of over 70,000Euro this is a marvellous achievement and again many thanks to all who contributed. Without the support of the 15 Community Councillors who for the last 2 years have worked tirelessly month on month calling on all their supporters this would not have happened, their undaunting effort shows the commitment of those 15 people to their community of Castlelyons, thanks a million to those 15 Community councillors for their enormous commitment to the Super draw. Alas all good things come to an end the last Super draw of this Community Council was held on the 26th of October 2013. Over the period of the draw 48,000Euro was paid out to the various local winners over that period.

• Another major event which is coming up this month is the launch of ("The Book") which will bring memories flooding back of those whom live and have lived in the parish of Castlelyons. This has being a major undertaking of a determined sub group of the Community Council which deserve great credit for their tremendous effort in completing this enormous task, well done to all.

• The term of the present Community Council will end this year 2013 this is a 3 year rotation of officers and according to the constitution all officers have to resign their position, this is one of a large number of conditions laid down in the constitution of Castlelyons Community Council which was draw up by the people of Castlelyons. These are the lines with which the Community Council have to work with and adherence to this constitution is imperative to all. Community Council elections will take place February 2014 please take time to consider a candidate within your local area that maybe would like to represent you on the Community Council.

Home & Garden Club

- For our October meeting Hester Forde gave an excellent talk and slideshow on bulbs in the garden for all-year colour. Hester gave us a fascinating talk on bulbs - a subject she is hugely knowledgeable on and her beautiful slides were a joy to watch. Hester's talk was about bulbs in the garden for year round colour and interest so she started with January and went right through the year talking about bulbs which flower in each month - the ones we are all familiar with e.g snowdrops, daffodils, tulips etc but she also spoke about some more unusual bulbs which are available in garden centres and on line and are worth giving space for in the garden. Hester also spoke of the importance giving bulbs an annual feed - she recommends feeding them after they have flowered. She also spoke about the correct time to plant your bulbs - for instance, while September is a good time to plant daffodils you should wait until November or even December to plant tulips. It was a most enjoyable talk and Hester gave us ideas and inspiration for a year-round display of colourful bulbs to plant in our gardens for interest and variety.
- Our next meeting will be our Christmas Gala which takes place on Nov. 8th in Castlelyons Community Centre. Our theme this year is Flowers and Food for Christmas Entertaining. Ita McCarthy from Midleton will do a demonstration on flowers for decorating your home at Christmas. The food part of the evening will be presented by Catherine Hickey of Posh Nosh fame. Tickets are €10 and are available from any committee member or at the door on the night - but be warned - tickets are selling fast!
